About Our Groovy Venue...

Situated just a 5 minute walk from both Chalk Farm and Primrose Hill, The Adelaide's trendy location mirrors it's general ambience.

What used to be a favourite local drinking spot, has now been transformed into your perfect private hire venue.

The versatile function room is available for private hire for your ultimate Christmas Party!

Capacities:

Function Room: 40-200 Standing

Whether a sophisticated daytime wine tasting and celebratory lunch for 40 or a full blown evening of hedonism at Studio 54 for 200, we can help you organise the perfect event.

The venue is able to hire in two ways....

1: Hire fee and minimum spend

OR

The Studio 54 Function Room

A distinctive and deceptively spacious floor; this large, bright room can comfortably hold between 40 to 200 people for a standing event. The Function Room can be partitioned so one half of the room can be used for buffets or canapés whilst the other acts as a dance floor.

The sound system, DJ booth and atmospheric lighting (including the all important Glitter Ball!) are all included in the hire of the space. The perfect party venue!...

The Function Room is fully decked out, however the choice is yours; we can add furniture or take it away, we can pour your champagne or you can do it yourself!

We can also arrange items such as projection screens and DVD equipment, DJ's, bands, photo booths and anything else you would like to make your event extra special. Additional lighting and production will be in place during Christmas
